

2018 GRAHAM EQUESTRIAN CENTER JUMPER SHOW

ENTRY FORM

ONE HORSE AND RIDER PER FORM

10301 Harford Rd., Glen Arm, MD 21057

---

**FORMAT:** 1st round (Power rounds) clear with no rails or refusals, untimed, to qualify for Jump-off (Speed class). Whistle indicates 30 secs to start course.

Jump off (Speed rounds) will happen after all riders in the division finish their rounds. Riders that qualified will run in the order of the qualifying rounds. Timer begins over 1st fence of Jump-off, ends over last fence of Jump-off. Fastest Jump-off with least amount of rails wins.

Three refusals, going off course, or falling off are grounds for elimination.

- **Power-** is judged on clear rounds, not fastest or speed. To qualify for the Jump-off of that height, you must go clear in the Power class. This course will have tighter turns and be more difficult than a speed class.
- **Speed** - the fastest round with the least amount of rails down. In the event riders are tied, a jump-off will be used to place a winner.
- **Gambler's Choice** – the rider has between 45-90 seconds to jump all the obstacles any direction chosen. Each obstacle is awarded points between 10 to 120 points according to difficulty which is left to the discretion of the course designer. In the event of a tie, the fastest time wins or a jump off will take place.

**ATTIRE:** Casual attire.

**PARKING/ADDITIONAL INFORMATION:** Plenty of trailer parking is available in our top field, although water access is limited. All dogs must be leashed at all times.

Any entries withdrawn prior to the close date, if paid in full, will receive a refund minus a \$5 admin fee. Credit may also be applied to other shows or lessons.
